

§ 90-270.70. Requirements for licensure.

(a) Any individual who desires to be licensed as an occupational therapist or occupational therapy assistant shall file a written application with the Board on forms provided by the Board, showing to the satisfaction of the Board that the applicant:

- (1) Is of good moral character; and
- (2) Has passed an examination approved by the Board as provided in this Article.

Applicants for licensure as an occupational therapist must also have successfully completed an accredited occupational therapy educational curriculum and the required supervised fieldwork as determined by the Board. Applicants for licensure as an occupational therapy assistant must also have successfully completed an accredited occupational therapy assistant educational curriculum and the required supervised fieldwork as determined by the Board.

(b) Occupational therapists who are trained outside of the United States and its territories shall satisfy the examination and educational requirements as stated in subsection (a) of this section. The Board shall require these applicants to meet examination eligibility requirements as established by the credentialing body recognized by the Board before taking the examination. (1983 (Reg. Sess., 1984), c. 1073, s. 1; 2005-432, s. 5.)
